

**REVISED AMENDMENT TO EXISTING SYLLABUS FOR  
Date Revision Shared with Students:**

In response to the 2020 COVID-19 global pandemic, all courses at the University of Alberta moved to remote delivery, effective March 17, 2020. Subsequently, a decision was made to adjust the grading scheme for all University of Alberta courses for the Winter 2020 term to award one of the following grades: CR (credit) or NC (no credit) as indicated in the *University Calendar*.

The changes were put in place to ensure equity among students, preserve academic integrity in extraordinary circumstances, and to manage the issues presented by an uncertain future, including the impact on our students and human resources.

To ensure clarity for students, all Winter 2020 course outlines for both undergraduate and graduate courses are to be updated using this template to outline changes to exams, assessments and grading and shared with students.
